SUMMARY

Passionate and results-driven **Full-Stack Software Developer** with hands-on experience in **frontend and backend development**, open-source contributions, and building scalable web applications. Currently leading **frontend development** for key **fintech solutions** at **Grant Thornton Bharath LLP**, focusing on performance, scalability, and user experience. Projects include a dynamic **real-time chat application** and a robust **blogging platform**. Adept at working in **collaborative Agile teams**, writing clean, maintainable code, and continuously learning new technologies to drive innovation.

EXPERIENCE

Software Developer

GRANT THORNTON BHARATH LLP

01/2025 - 01/1970 Bengaluru, India

Leading company in finance and consulting

- Led frontend development of an internal Early Warning System (EWS) from scratch, enabling credit agents to proactively identify borrower default risks through real-time signals and alerts
- Conducted in-depth R&D and performance optimization, resolving key bottlenecks and improving application speed, responsiveness, and code efficiency for a scalable internal fintech solution

Full-Stack Developer Intern

ARTSY TECHNOLOGIES

07/2024 - 12/2024 Mysore, India

Tech company focused on web development solutions

- Built dynamic school website using MongoDB, Express.js, React, and Node.js
- Implemented RESTful API endpoints, enabling smooth communication between the front-end and back-end, and enhanced the user experience
- Collaborated with a cross-functional team of designers and developers to ensure the website's responsiveness across devices

Open-Source Contributions

GSSOC & HACKTOBERFEST

10/2024 - 12/2024 India

Open-source coding events

- Contributed to open-source projects through GSSoC and Hacktoberfest, focusing on impactful code contributions and community collaboration
- Successfully merging 7 pull requests (PRs) to improve functionality, fix bugs, and implement new features

EDUCATION

Masters of Computer and Application (M.C.A)

Manipal Institute of Technology

01/2023 - 01/2025 Manipal, Karnataka, India
